Also, search for "Saturday Works" and then join Saturday Works. Saturday Works is the entity that will provide the "Mighty Networks" platform (see below), and will connect to other charities in the local area. You can search for and join other groups as well (look for Salem Pantry and Citizens Inn, for example).

II. Community Content Platform (powered by Mighty Networks)

The Content Platform is provided by Peter Gordon and is called Saturday Works. The platform is hosted by Might Networks. The main website for Might Networks is:

<u>www.mightynetworks.com</u>. An app is available on the Apple App Store as "Mighty Networks. Download the app, but initially set up your access to Saturday Works on the Mighty Networks website through your browser.

Note: "Saturday Works" is a private network. You will have to "Request Access" to it.

a. navigate to <u>https://saturday-works.mn.co/landing</u> and click the "Request to Join" button:

Request to Join

On the next screen, provide your name and click next. On the next screen, add your email address then click next. On the next screen, answer the question (currently: "Why do you want to join?", but this may change over time) and hit "Submit". You will then receive a message telling you a link will be sent to access the Group if your request is accepted by the moderator. You will receive an email (check in spam filters), and click an acceptance to actually join.
